First Chapter

A highly motivated and hardworking fast learner, with three years experience in game development across multiple platforms, looking to express my ideas and creativity in a new challenging environment. After both designing engines and creating games, I hope to be able to learn, innovate, and leave a mark in this fast paced industry.

Skill List

Proficient in C# / .NET with Unity, ActionScript 3.0 with Flash, and Game Development on both mobile and desktop.
Experienced in JavaScript, p5.js and CSS / HTML.
Knowledge of Java, SQL, Android, Bluetooth and Networking.
